

## 《在太行山上》 Up on Mt. Tai Hang

作词：桂涛声 Music by Xian Xing Hai

作曲：冼星海 Lyrics by Gui Tao Sung

红日照遍了东方

The red sun shines the east bright

自由之神在纵情歌唱

The freedom god sings glorious upright

看吧千山万壑

Behold thousands of hills and gorges

铜壁铁墙

Copper cliffs and iron walls

抗日的烽火燃烧在太行山上

Beacons for fighting the Japs up Mt. Tai Hang bright

气焰千万丈

Flames soar burning the sky

听吧母亲叫儿打东洋妻子送郎上战场

Listen mothers urge sons to battle Japan and wives hurry husbands to fight

我们在太行山上

We are on top of Mt. Tai Hang

我们在太行山上

We are on top of Mt. Tai Hang

山高林又密

Mountains high and forests dense

兵强马又壮

Army determined and their steeds strong

敌人从那里进攻我们就要它在那里灭亡

Where're the enemy attacks we'll have them there put to demise

敌人从那里进攻我们就要它在那里灭亡

Where're the enemy attacks we'll have them there put to demise
