

Humber Bay Park

2017 July 16 (Sunday)

A sanctuary
for
butterflies

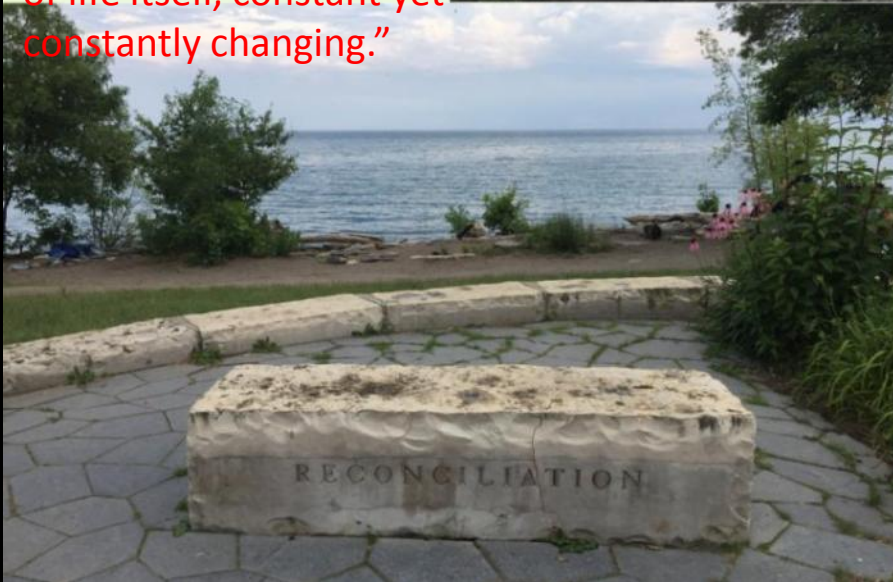

A sanctuary
for
people too

"Time Flies
Suns rise and shadows fall
Let it pass by
Love reigns forever over all"

"The experience of
encountering the
shoreline.....
...it reminds us of those
who were lost at sea,
and is a powerful image
of life itself, constant yet
constantly changing."

Air India Flight 182 Memorial

1985 June 23
Crashed into the
Atlantic Ocean
beyond the
shores of
Ireland

Scheduled for
London, England
from Toronto via
Montreal

"A resting place at the
water's edge that is
identified with a single
word "reconciliation""

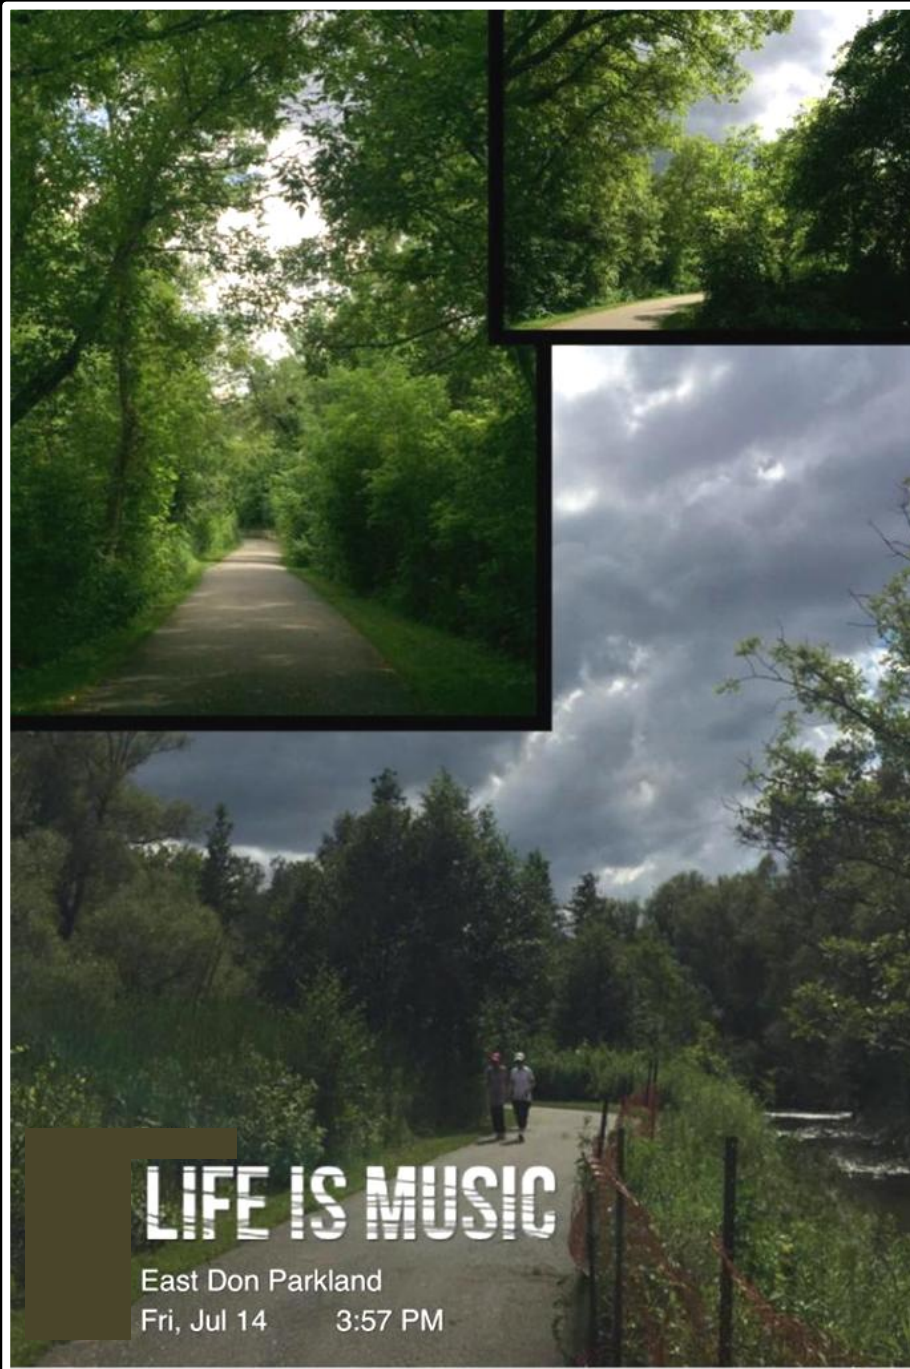

Humber Bay Park
Jul 16, 2017

A good pick for the
day's walk

...despite 1.75 hours
each way by public
transport

and the rain forecast

East Don Parkland

2017 July 14 (Friday)

An overcast day

Jul 14, 2017

East Don Parkland

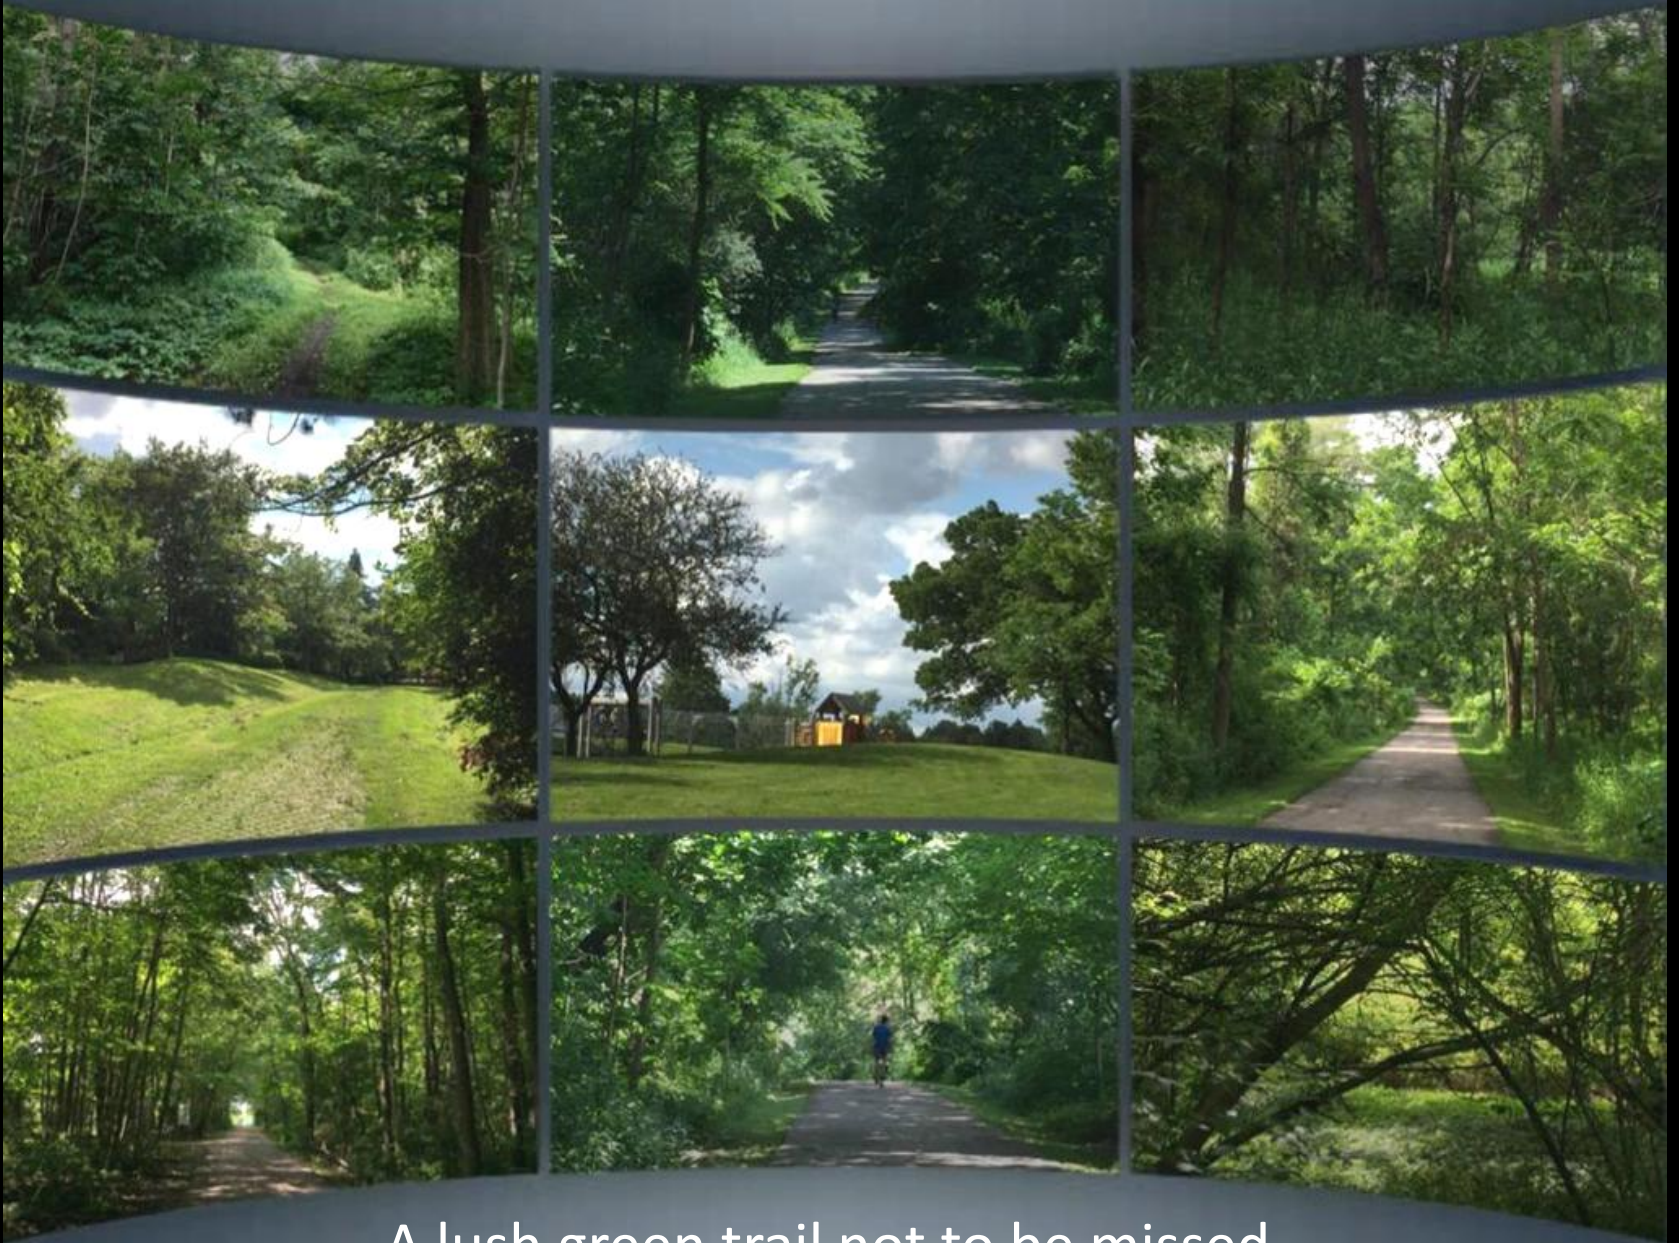

The silent beauty....

...that hardly
got noticed

Even the leaves Not sure if people count their variety

A lush green trail not to be missed
