

陽明山

Yang Ming Shan, Taiwan

2017 March 6

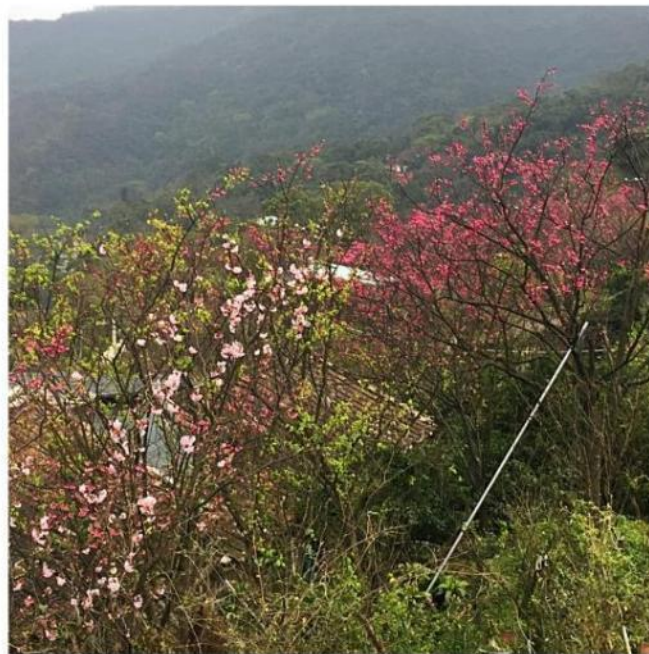

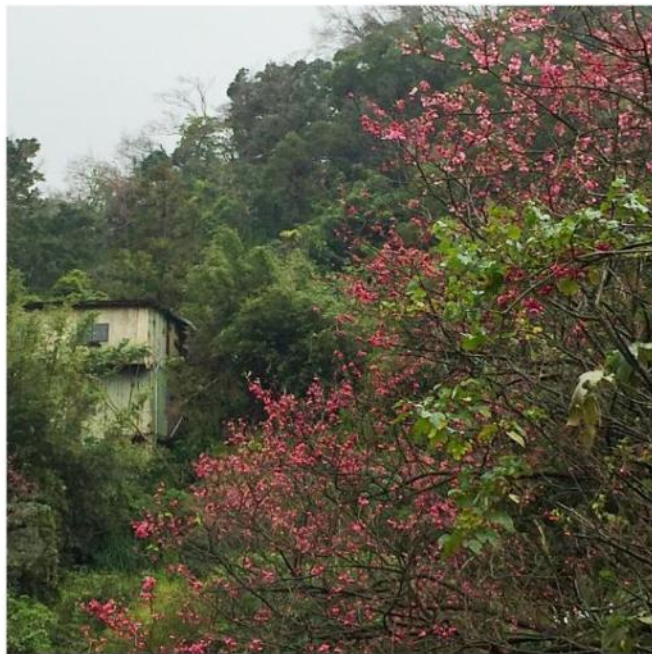

We went to see the cherry blossoms.  
But it was the tail end of the season there.

Some  
flowers

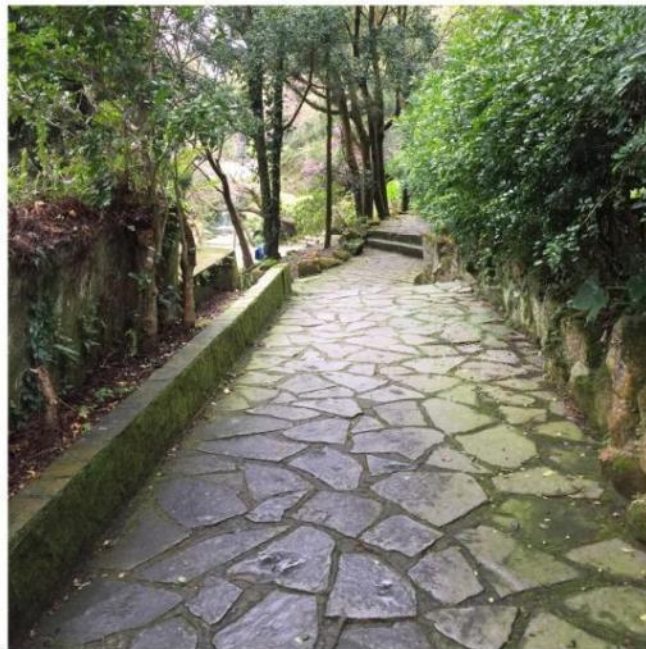

Not much  
relative  
to Tai  
Chung

We did  
walk  
around  
that area  
and  
sampled  
some  
local food

Mountain  
air fresh

Park  
lustrous  
green

Hot spring  
inside

Misty  
and  
raining,  
we did  
not see  
all parts  
of the  
Park.

We went  
to soak in  
the  
hot spring  
though.

In Taipei,  
we  
stayed  
with this  
type of  
non-  
greasy  
food

GaKuDen  
- our  
favourite  
bakery

We also tried  
the newly-  
opened train  
from airport to  
the Taipei Main  
Station

It was a  
good  
eight-days  
in Taipei  
and Tai  
Chung

We enjoyed  
it

Thanks for  
your  
patience  
in  
sightseeing  
with us
